

Position Title:	Veterinarian – Critical Care
Reports to:	Medical Director, Emergency and Critical Care Specialists
Department:	Emergency, Critical Care
Status:	Full-time Permanent (40 hours per week)

Overview

We are seeking motivated, team-oriented, and passionate **Criticalist** (Board Certified or Residency Trained in ECC) to join our growing emergency and specialty team.

Since opening in Sherwood Park, Alberta, in March of 2020, we have continued to grow our emergency and specialty presence throughout Alberta while creating strong referring relationships throughout British Columbia, Saskatchewan, Manitoba, Northwest Territories, and the Yukon. As we developed a relationship with the referring community, we have also built a fantastic team of specialists (or residency-trained veterinarians), including Critical Care, Surgery, Internal Medicine, Radiology, Neurology, Ophthalmology, Cardiology, and Dentistry/Oral Surgery. We also have a bright and excited group of Emergency Doctors and Technicians. We also have interns starting in July as the first year of our program.

Our goal is to promote a healthy working environment centered around high standards of medicine and exceptional patient care. Our facility also provides 24-hour staffing, top-of-the-line MRI, CT, has a Servo U ventilator, vapotherm high flow oxygen, endoscopy, 2 ultrasounds and onsite Antech Diagnostics.

We are a privately owned hospital where you will be able to continue to grow the department as you wish there is no corporate tape. The technicians are eager to grow their skills and are supported in the hospital to allow for technician retention.

Position Summary

The Criticalist Veterinarian is responsible for delivering high-level medical care to our patients, providing exceptional customer service to pet owners, and setting an example of teamwork at Pulse Veterinary Specialists & Emergency through professionalism.

The ideal candidate will bring a positive attitude good communication skills and a strong work ethic. Veterinary Specialists & Emergency offers: varied and unique caseload, advanced diagnostics, and exposure to experienced and collaborative colleagues.

If you are looking to join a warm and inviting multi-discipline team, then this may be the position for you! Come feel the difference when you are truly part of the family in Alberta's only private referral hospital. We offer successful candidates, relocation assistance, immigration support, signing bonuses, generous salaries with no negative accrual, personal pet discounts, paid dues, continuing education and uniform allowances, and benefits.

Company Benefits

Pulse employees receive:

- Competitive compensation package
- Continuing education benefits
- Personal pet discounts
- Professional dues covered
- Uniform allowance
- Shift differential (where applicable)
- Opportunities for growth and professional development
- Access to a diverse team of specialists and experienced Veterinarians and RVTs

A few perks about living in Edmonton, Alberta, and surrounding areas:

- Often referred to as Canada's Festival City, Edmonton is a diversified community that hosts festivals all year round, including Folk Fest, the Taste of Edmonton, Fringe Festival, and Heritage Festival.
- Home of the largest urban park in Canada, Edmonton's River Valley is a natural wonder that offers plenty of opportunity for outdoor activities.
- Edmonton is also a short drive away from the most breathtaking views of the Rocky Mountains in Jasper, Banff, and Lake Louise National Park, that offer additional hiking, camping, biking, skiing, and snowboarding opportunities.
- Rogers Place has become a highly demanded arena for entertainers and is home to Edmonton's NHL team, the Oilers. If hockey is not a sport you indulge in, the city is also home to the Edmonton Elks CFL team, the Edmonton Stingers basketball team, and more!
